Paper Submission

ICICIC2021 invites two types of submissions. All accepted papers will be included in the ICICIC2021 program and proceedings, and must be presented at the conference by one of the authors.

Full Paper Submission. The submission should be written with title, authors' names, affiliations, email addresses, an up to 150-words abstract, and a one-column body within 8 single-spaced pages (A4 paper, 12pt font size). The submission of a paper implies that the paper is original, has not been published or submitted under review or is not copyright-protected elsewhere.

Extended Abstract Submission. The submission should include a brief introduction of the work, research questions, methodologies and some preliminary results within 2 single-spaced pages (single column, A4 paper, 12pt font size).

Some accepted papers with high quality presented at ICICIC2021 will be selected and recommended for possible publication in some international journals (including Ei/Scopus indexed journal, subject to meeting Ei/Scopus indexing standard), after significant modifications and re-review.

All submissions are subject to blind peer view and MUST be made on-line in PDF format only (no more than 1.5MB size) via the submission system: <http://www.icicconference.org/icicic2021>
