Paper Submission

ISIKM2020 accepts **Full Paper** and **Extended Abstract** submissions. Full Paper should be written with title, authors' names, affiliations, email addresses, an up to 150-words abstract, introduction, methods, conclusion and references within 8 single-spaced pages (A4 paper, 12pt font size). Extended abstract should include a brief introduction of the work, research question, methodology and some preliminary results within 2 pages (A4 paper, 12pt font size). Submission **MUST** be submitted on-line in PDF format only via the ISIKM2020 submission system: http://www.icicconference.org/isikm2020

All submissions will be included in ISIKM2020 Program and Proceedings and one author will be invited to give an online oral or post presentation at the symposium. Some accepted submission with high quality presented at **ISIKM2020** will be selected and recommended for possible publication in some Scopus/Ei/ESCI indexed journals (subject to meeting Scopus/Ei/ESCI indexing standard), after extension, significant modifications and re-review.

The submission implies that the paper is original, has not been published or submitted under review or is not copyright-protected elsewhere, and will be presented online at the symposium by an author if accepted. All submissions are subject to blind peer view based on the criteria of originality, significance, quality, and clarity.
